instructs me to report the same to the Legislature-- recommendation be advanced to General File. LB1047 advanced to General File, signed, Senator Burbach, Chairman. Mr. President, your committee on Education to whom was referred LB849 instructed me to report the same, the Legislature recommendation being indefinitely postponed. Signed, Senator Warner, Chairman. We have a request....a unanimous consent request to print some amendments to LB997 in the Journal, signed, Senator Marvel. Mr. President, your committee on.....

PRESIDENT: Unanimous consent requests, are there any objections? Hearing none, so ordered.

CLERK: Mr. President, your committee on Judiciary to whom was referred LB1028 instructs me to report the same to the Legislature recommendation that it be advanced to the head of General File, signed, Senator Luedtke, Chairman.

PRESIDENT: Hum, read it again, please. The committee's recommendation.

CLERK: Starts--recommendation that it be placed at the head of General File, LB1028 from Judiciary Committee.

PRESIDENT: Senator Luedtke, that'll take a special motion. Pardon me? I would think it would. Speaker Proud.

SPEAKER PROUD: What is the bill?

CLERK: It's a committee report from Judiciary Committee referring LB1028 to General File and he asked that it be on the head of General File.

SPEAKER PROUD: I object.

PRESIDENT: There went unanimous consent. Now, Senator Luedtke, do you want to make a motion?

SENATOR LUEDTKE: Mr. President, I would ask, I suppose we have to suspend the rules to do this.

PRESIDENT: I don't think so.

SENATOR LUEDTKE: Yeah, in order to keep what Senator ProudSpeaker Proud's suggestion. This was done, the committee feels very strongly, but this bill was requested by the Attorney General. It deals with anti-trust work in the Department of Justice, the need for an individual to carry out this work and really I think it's not going to be terribly controversial. We either do it or won't do it but we would like to get it across the board for the Attorney General to start working on it with the emergency clause on it.

PRESIDENT: You've heard the motion to suspend the rules and place LB1028 at the head of General File. Now, Senator Barnett.

SENATOR BARNETT: I've got a question and that's all. I've tried bracketing two or three bills this session and I've.... they've continued to slide down the board and I had another one up there bracketed for today and I wonder if you mean after we take care of the bracketed bills for today.

PRESIDENT: Oh yeah, that would be understood.
